

## 94 Byrne Circuit Moil NT

3 2 2

Wonderful opportunity to secure a well located and solid three bedroom home with loads of extras including ensuite, walk in robe, solar hot water and a DOME.

The house is ground level, with a low maintenance garden and renovated kitchen. Add your finishes to complete this with plenty of yard room for the children to play and park the boat or trailer.

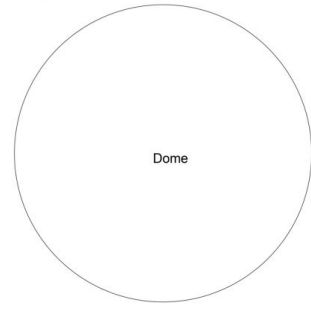

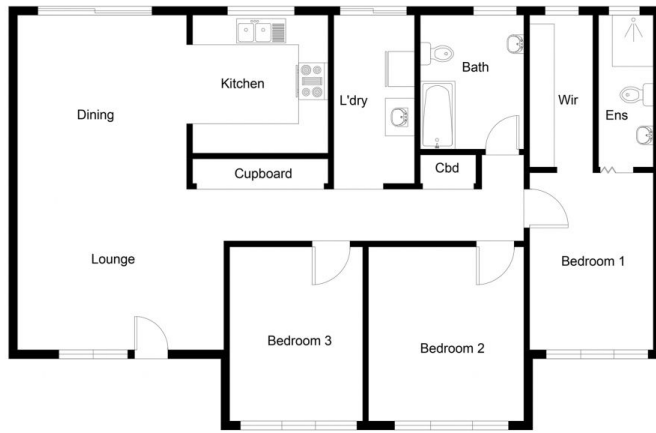

And for something totally unique, we have a DOME in the backyard! Large and airconditioned ideal for the teenager or work from home. Dome structures were common in the ancient world, and now for the first time (we think!) featured in modern Darwin
